**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Comcast is not a competitive provider, like Sonic. Broadband, fiber, and small competitors like Sonic are essential to my startup, www.wield.bio, because of their speed, their robustness, and the dependability of their support. I switched a year ago from Comcast because they are an oversubscribed monolithic giant that isn't responsive to needs of customers. I also like the phone service Sonic included with my Internet.

Don't let Comcast influence lawmaking. We need healthy competition in services.
